

Amendments to the Claims:

This listing of claims replaces all other prior versions and listings of claims in the application. Please cancel claims 1-16, 18, and 20, without prejudice. Applicants reserve the right to prosecute the subject matter of such cancelled claims in a continuation/divisional application. Please amend claim 17 as follows, without prejudice, and add new claims 29-40. Support for these amendment can be found throughout the specification. Applicants have disclosed in the specification compositions comprising Hedychium extract and the use thereof in regulating the firmness of skin, regulating the tone of skin, and/or regulating wrinkles in skin. See, e.g., pages 2-3 of the specification. Accordingly, Applicants have taught the promotion of a composition comprising Hedychium extract for such regulation. Accordingly, no issues of new matter are believed to be raised by the following amendments to the claims.
